

Dear Valued Customer,

April, 2026

Please read this notice in its entirety and share with other associates in your organization as needed.

BD pen needles and insulin syringes are now part of embecta – a global Diabetes Care company. With this change, we are excited to introduce new branding of embecta product that is on its way.

[Visit our website to learn more about the new embecta packaging](#)

We're excited to inform you of the following products available between **April – June 2026***, and actions you need to take.

* Launch and order timings are approximate and subject to change.

Here's what you need to know:

- Continue ordering by product code (SKU) which remains the same.
- GTIN numbers will change.
- Visit our [ANZ Transition Resource Center](#) to access and download new item set-up information (GTIN, product description) and embecta packaging images to set up in your system.
- If you haven't already, please activate the new GTIN/s for these products to ensure a smooth ordering process.
- **FIFO (First-In, First-Out)** Continue to sell and run-down all your inventory of BD branded products until depletion prior to selling and distributing embecta branded products.

Available and releasing between April – June, 2026
