

Actimove®

Feel good. Move better.

Actimove Walker

Designed to stabilise and protect the lower leg, ankle, and foot

- High patient comfort due to the lightweight design of the walker –at least 20% lighter than previous version
- Slip resistant, well-balanced rocker sole ensures walking confidence and promotes natural gait
- Improved comfort through minimised impact thanks to the shock absorbing inner sole
- Washable foam lining improves comfort and promotes good hygiene
- Available in High or Low and Standard or AIR

Always read the label and follow the directions for use.
