

THE TOUGH LONG LASTING WIPER HALYARD TERI* Wipers

TRUSTED PROTECTION

FOR SURFACES & PATIENTS

SO YOU CAN CARE WITH CONFIDENCE

Staff, sick patients, visitors and contaminated objects are common sources of infection. The physical setting can harbour bacteria and viruses that may be transferred to patients and equipment via the hands of healthcare professionals, potentially causing infection in susceptible individuals. Are you looking for a wiper that can go the distance, a product that's strong even when wet, and won't fall apart or disintegrate in your hands at the first sign of scrubbing?

OUR SOLUTION IS HALYARD TERI* WIPERS

TERI* Wipers are a 4 ply paper towel, specifically developed for hospitals as a durable medical towel/wipe. The soft, embossed wiper is gentle even on frequently washed hands and the tough polyester scrim provides long-lasting wet and dry strength¹.
