## Meet our Team: Marijke

Marijke started Team Medical from her lounge room in 2011. After 13 years, Marijke maintains that the key to our success is flexibility with our customers and our team. For Marijke: "Seeing people grow within our company is very satisfying. The growth of our business goes hand-in-hand with their development."

Away from the office, Marijke enjoys playing the piano and is a big theatre enthusiast, with her most recent show being Tina Turner the Musical. She also likes to keep active in the garden and on her bike. 350km on the Central West Bike Trail is her longest trip so far. In addition, you'll often find her playing Mario Kart with her children Jack and Maya.
