

# Surgical Stainless Steel Instruments

★ Armo - Superior | ⚡ Klini - Theatre (Germany) | ▼ Hipp - Superior Theatre (Germany)

## ARMO | ★

The workhorse of the three quality ranges. This accredited range was borne out of the need for high quality dependable instrumentation in today's cost-sensitive environment. ARMO Instruments are crafted from the finest quality forgings and manufactured in fully accredited facilities in Pakistan. This manufacturing facility is under licence to 3 German Companies! Most ARMO instruments are available in a smooth satin low reflective finish.

## KLINI | ⚡

This range of German quality Instruments are manufactured under licence to Anton Hipp. Made with the finest Japanese stainless steel, the KLINI range offers German quality at a competitive price. The HIPPO name is synonymous with quality and has been proven with over 40 years experience in the medical instrument industry.

## HIPP | ▼

Our state of the art range of "Theatre Quality" Instruments. All Hipp instruments are manufactured to exacting standards at the fully accredited Anton Hipp GMBH facility located in southern Germany. Crafted from the finest German stainless steel forgings for the utmost reliability, durability, consistency and precision. Incorporating the very latest technological innovations, most of these instruments are available with Tungsten Carbide inserts for added precision and lifespan.

Can't find the right instrument? Visit our website or talk to your account manager. Full range available online.

## Instrument Protection kit

This kit will solve the majority of instrument staining "rusting" issues and will rejuvenate all stainless steel instruments. It is recommended that the instruments get treated every 10 – 15 cycles in order to keep instruments as new.

Contents:  
Surgistain 250ml  
Surgiglide spray 400ml
