GloveOn COATS Biodegradable

Introducing GloveOn COATS gloves which are NOW Biodegradable! – your ultimate solution for not just protecting your hands, but nourishing them too! Harnessing the incredible benefits of colloidal oatmeal, an FDA-recognised skin protectant, these gloves go beyond the ordinary to pamper your skin with natural goodness.

Say goodbye to the discomfort and irritation often associated with regular gloves. GloveOn COATS Biodegradable Gloves strengthen your skin barrier and seal in moisture, ensuring your hands stay soft, supple, and irritation-free throughout wear.

But that's not all – these gloves are not just good for your skin, they're now great for the planet too! Engineered to biodegrade when exposed to landfill conditions, GloveOn COATS Biodegradable Gloves make an eco-conscious choice effortless. So, while you protect and moisturise your hands, you're also contributing to environmental sustainability.

Join the movement towards healthier, happier hands and a greener planet with GloveOn COATS Biodegradable Gloves – because caring for yourself and the environment should always go hand in hand!

WE ARE A BUSINESS FOR GOOD

For every 10 boxes of Avalon Gloves sold, we provide 1 day of healthcare for a person in need somewhere in the world.

This provides support for many who lack access to this basic human right.

WAREHOUSE - ACT

Meet Our Team: Mark

With over 25 years of experience in sales and management, Mark helps our ACT warehouse run like an efficient machine. He loves the flexibility to troubleshoot and find solutions to problems that his current role offers, and his drive to offer premium customer service help him fit seamlessly into a company where service is always a priority.

When he's not hard at work for Team Medical, Mark is hard at work for his family, running his kids to and from a diverse range of activities such as Tae Kwon Do, Brazilian Jujitsu, boxing, rugby and soccer. On the side, Mark finds time to restore his prized 1966 Dodge Coronet whenever he can, and he is also a published author of Dawn Came Knocking, a novel that came to him entirely in a dream.

Favourite music? I love the old rock and roll, some blues. My favourite band is Prism (Canadian). It's worth looking up.

Anything unique about yourself you wish to add? Not at this time. I'll need to speak to my lawyer. (jk).

GloveOn Innova

Latex Exam Gloves Powder Free, Standard Cuff

Innova is a light weight powder free latex glove, with a unique fully textured surface for better grip in both wet and dry environments. These versatile gloves come with high tensile strength and superb barrier protection properties, which are suitable for any demanding task in any market segment

X-Large	MUNCTS52XL		

The GloveOn COATS Range utilises the powerful benefits of all-natural oats. How does COATS work?

COATS technology prevents direct irritation and hydration dermatitis by:

- Creating a natural barrier between glove and skin
- Absorbing water, urea, and salt excretions
- pH buffering
- Anti irritant
- Redness reduction
- Natural moisturising
