MEET OUR TEAM: ZACH
SALES - WA

From warehouse to customer service and now to sales, Zach has been with BP and Team Medical for over 11 years. This combination of roles, and basically growing up with his WA colleagues, means he is a wealth of knowledge and always happy to help.

Zach has a deep passion for dangerous reptiles and wildlife, particularly crocodiles and snakes. If he could, he would fill his house with them. His next holiday destination is set to be the Margaret River where he can hopefully spot some in their natural habitat.

Another Team member with a passion for sports, Zach loves basketball but will watch just about whatever is on.
