

ICON™

Introducing
The ICON™ Collection

Elevate your space with the new standard in dispensing performance.

Thoughtfully engineered for unsurpassed confidence, the Kimberly-Clark Professional™ ICON™ collection provides a dispensing experience designed with you in mind.

The electronic towel dispenser is a true standout delivering the ultimate dispensing experience through Kimberly-Clark's most technologically advanced system.

Explore this exciting new range

ICON Electronic Roll Towel Dispenser

- Touchless dispensing for elevated hygiene
- Long-lasting battery life - get up to 150,000 dispenses on a single set of batteries.
- Jam-free, nearly noiseless operation
- Intuitive visual cues - LED lights communicate when unit needs attention

Inspired by human-centered design, the ICON™ dispenser features an intuitive control panel, front-load battery bay and a dampened hinge feature. Using direct-drive technology the ICON™ dispenser features patented dual sensors that deliver worry-free, touchless 99.99% jam-free dispensing and is compatible with your choice of KLEENEX® roll towels. Engineered to help minimize the potential risk of cross contamination. All backed by a lifetime warranty. These gorgeous dispensers feature an interchangeable faceplate technology and complement the other ICON™ skin care and toilet paper dispensers in the collection.

Meet our Team: Mason

Mason is a recent arrival to the marketing team, but he has worked in e-commerce for the better part of 4 years. It was his desire to immerse himself in large scale data analytics and problem solving that drew him to the Team Medical family. Being a massive Monty Python fan, he brings with him an invaluable sense of humour and witty attitude.

When he's not on the dime, Mason has been known to compete at an international level in a medieval, gladiator-like sport called Buhurt (a talent perhaps inspired by his passion for Lord of the Rings).

What sort of music do you listen to? I'm a fan of Country and a bit of Rock.

MARKETING - QLD

Meet our Team: Kylie

Kylie has a background in Pharmacy and Oncology, contributing to contributing to 20+ years of experience working with medical supplies. Like many in our sales team, Kylie has a great understanding of both sides of the supply chain.

Outside work, Kylie enjoys all things horse-related, including spending time in the paddocks with her daughter and watching dressage.

What is your favourite takeaway food? Anything Indian!!

SALES - QLD

Disposable Curtains

Significant cost savings and improved infection control

Haines® Disposable Curtains are designed to replace your existing reusable curtains in healthcare facilities such as hospitals, day surgeries, medical centres and other healthcare facilities that require the use of curtains. They offer a cost effective alternative to purchasing and washing reusable curtains and with their proven ability to inhibit bacterial growth, they can improve infection control at your facility.

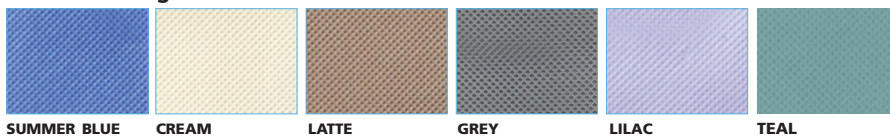

- Manufactured from 100% polypropylene, non-woven fabric – 120gsm
- Fire retardant (AS 2755.2-1985) – Failed to Burn
- Impregnated with anti-bacterial and anti-mildew chemicals including nanometer silver (curtain and mesh)
- Tie Back – sewn on so won't fall off
- Curtains always look fresh, pleated and new.
- Identification Label - each curtain is supplied with an easy to read identification label this is to monitor length of use and provides an easy way to monitor required changes of curtains

Previous studies have demonstrated that pathogens such as Vancomycin resistant enterococci (VRE), methicillin resistant staphylococcus aureus (MRSA) and Clostridium difficile are still present on non-disposable curtains even after one week post laundering (Ohl, M. et al 2011). Even with steam cleaning, the curtains still remained contaminated (White, L.F; Dancer, S.J; Robertson, C; 2007).

Meet our Team: Donna

Donna has been with Team Medical for over 8 years and is an invaluable member of our sales team. She has an extensive amount of product knowledge and an amazing amount of friendly charisma.

Donna is expecting their first Grandbaby later this year and recently met her brother for the first time. Not many people know that Donna recently won a trip to Singapore in our Team Values competition, and she once danced with the Young Talent Time Team.

What are your hobbies?

Wine, Food, my fur babies and NRL (Rabbitohs!)

What is your favourite food? Thai, especially Tamarind Prawns.

Meet our Team: Andrew

Andrew has been working in the Medical Supplies industry for 24 years. Having recently made the move over to Team Medical, he is loving the new great team environment that provides him full support in his role. For Andrew, relationship building and communication that helps build rapport with his customers is of paramount importance.

When he's not on the job looking after his customers, Andrew enjoys caravanning and camping with his family at every chance, and he is an avid watcher of action and comedy films.

Being from Melbourne, he's a passionate sports enthusiast who also dedicates his weekends to supporting his two daughters in their basketball and AFL pursuits.

What TV shows are you streaming at the moment?

Drive to Survive.
Shark Tank (USA)
